WITH ACADEMIC INDEPENDENCE

THE POWER OF TRACKING

Supercharge your student's success with our tracking workbook! Uncover game-changing habits deeply rooted in the science of self-regulated learning principles. Help students reach their academic independence while turning on their internal voice of what's working and what isn't.

WHY CHOOSE OUR WORKBOOK?

- Helps students set goals, track progress, and reflect on what works.
- Uses proven self-regulated learning principles to enhance study habits.
- Easy-to-use handouts for daily tracking, self-monitoring, and strategy adjustments.
- Ideal for individual learners, small groups, classrooms and tutoring sessions.
